

VIDEOGRAPHER

- **Where:** Life Teen Camp Covecrest (Tiger, GA) or Life Teen Camp Hidden Lake (Dahlonega, GA).
- **Who:** One individual at each Life Teen camp location in Georgia will fill the role of the Videographer. The Videographer is part of Service Crew, which is the crew of people who serve behind the scenes in a variety of roles all summer long to help ensure the camp creates an environment that facilitates a relationship with Christ.
- **Community / Housing:** As a part of Service Crew, the Videographer will attend all possible formation sessions and will report to the Guest Relations Coordinator for tasks and responsibilities. This person will also be housed with other Service Crew members of the same gender.
- **Key Responsibilities:** The Camp Videographer is responsible for the planning, shooting, editing, and sharing of each week's camp video. He or she is responsible for documenting the highlights of each week of camp and making a consistent effort to be shooting as much footage as possible as the teens participate in camp activities and encounter Christ throughout the week. He or she is also responsible for producing a 6-8 minute video each week that highlights the campers' experiences throughout each week. Additionally, the Videographer, like all Summer Missionaries, will be responsible for assisting in fundraising efforts for Life Teen to further the mission of leading teens closer to Christ. The main tasks for the Videographer each week include:
 - Maintaining and taking care of video equipment;
 - Being present throughout the entirety of the camp week and all camp activities to creatively capture video footage, including during camper arrivals, obstacles courses, messy games, high ropes, evening sessions, and prayer experiences;
 - Capturing camper testimonies at the end of the week;
 - Selecting music and editing footage to create the weekly camp highlight video to creatively and effectively tell the story of camp;
 - Ensuring that the camp video is uploaded and ready to be presented on Saturdays;
 - Assisting with social media postings and special video projects as needed.
- **Success Factors:** The Videographer will have experience in shooting and editing videos. A successful Videographer will have excellent time management and multi-tasking skills and will be able to complete

projects on time each week. This person will be prayerful, mission-minded, and obedient and will be professional in capturing video footage each week.

- **Physical Demands:** This role requires extensive work outdoors and daily movement around camp property to capture video footage of various camp activities. The role involves the use of video equipment and requires long periods of computer use while editing videos.
