

Camp Videographer

Ministry description:

The Camp Videographer is responsible for the planning, shooting, editing, and sharing of each week's camp video. He or she is responsible for documenting the highlights of each week of camp and making a consistent effort to be shooting as much as possible, as the teens participate in camp activities and encounter Christ throughout the week. He or she is also responsible for cutting a 6-8 minute video that highlights the campers' experiences throughout each week; this will involve choosing music, selecting footage, and using the medium in a way that most creatively and effectively tells the story of camp. The videographer will communicate with necessary members of the creative support team regarding the progress of each week's videos.

The main tasks each week include:

- I. Creatively shooting campers participating in camp activities including but not limited to:
 - A. Campers' arrivals
 - B. Activities: Obstacle course, Messy games, Each group of campers at high ropes, Each group of campers at low ropes, Crafts in art barn
 - C. Evening events: key parts of sessions, praise and worship, Mass, adoration, confession, bonfires
 - D. Camper testimonies at the end of the week
 - E. Any additional interesting, fun, and visual events/activities
- II. Editing camp video:
 - A. Select music to be used in the camp video each week
 - B. Select and edit dailies at the end of each day
 - C. Work with photographer in obtaining any necessary camp photos and group photos for the video
 - D. Produce a final cut of the camp video by the last day of camp each week
 - E. Communicate with creative support team on progress of the edit and send proofs throughout the week
 - F. Should manage time so that the camp video will be complete and exported by the evening before the last day of camp
- III. Sharing camp video:
 - A. Export camp video to be screened in main room during last session of camp
 - B. Compress and upload camp video to Life Teen Youtube account at the end of each week
 - C. Save a final cut of each week's camp video as a high-definition .mov file to the hard drive provided by Life Teen
